C. FIRST-TIME, FIRST-YEAR ADMISSION

C1-C2: Applications

C1 **First-time, first-year students:** Provide the number of degree-seeking, first-time, first-year students who applied, were admitted, and enrolled (full- or part-time) in **Fall 2023**.

- Include early decision, early action, and students who began studies during summer in this cohort.

- Applicants should include only those students who fulfilled the requirements for consideration for admission (i.e., who completed actionable applications) and who have been notified of one of the following actions: admission, non-admission, placement on waiting list, or application withdrawn (by applicant or institution).

- Since the total may include students who did not provide gender data, the detail need not sum to the total.

- If your institution collects and reports non-binary gender data, please use the "Another Gender" category.

- Note that recent high school graduates and other students without prior postsecondary experience will still be considered "first-time students" for fall enrollment reporting purposes even if they enrolled in the summer prior to fall enrollment.

- Provide numbers of students for each of the following categories as of the institution's official fall reporting date or as of October 15, 2023.

First-Time, First-Year Student Applicants	Total
Total first-time, first-year men who applied	1530

If yes, do you release that information to students?		
Do you release that information to school counselors?		

C3-C5: Admission Requirements

C3 **High school completion requirement**

Check the appropriate box to identify your high school completion requirement for degree-seeking entering students:

X High school diploma is required and GED is accepted

High school diploma is required and GED is not accepted

High school diploma or equivalent is not required

C4 **Does your institution require or recommend a general college-preparatory program for degree-seeking students?**

X Require

Recommend

Neither require nor recommend

C5 **Distribution of high school units required and/or recommended.** Specify the distribution of academic high school course units required and/or recommended of all or most degree-seeking students using Carnegie units (one unit equals one year of study or its equivalent). If you use a different system for calculating units, please convert.

Distribution of high school units	Required	Recommended
